Company Profile

Swastika Healthy Life Pvt. Ltd. is a prominent [PCD pharmaceutical company in South Delhi](#), known for its genuine and authentic range of Nutraceutical and Ayurvedic pharma products. The company follows stringent international standards certified by WHO, ISO, and GMP to formulate their products. With their high-quality and long-lasting pharmaceutical products, Swastika Healthy Life has expanded their distribution channels throughout the country. Their medicines have placed them at the forefront of world-class franchise services, covering all categories. Moreover, Swastika Healthy Life has achieved an impressive milestone of developing over 250 innovative formulations.

Swastika Healthy Life is a well-settled company in pharmaceutical manufacturing who have years of knowledge to run this industry very well. In our massive range of production of medicines, we include various segments such as , capsules, tablets, soft gel capsules, dry syrup, face wash, ointments, lotions, eye drops, oral liquid, creams, external liquids, creams, beta-lactam, and many more. Most importantly all our product ranges fulfill international health guidelines and also, and we sell them to pharma companies at very reasonable prices. Therefore, **Swastika Healthy Life** is the company that today comes in the top list of pharma product manufacturers.

Our Mission

To dedicate ourselves for humanity's quest for longer, healthier and happier lives, through innovative healthcare products

Our Vision

To become a globally admired Pharmaceutical Organization by providing research based, affordable quality products for larger global population.

Welcome To The World Of
Swastika Healthy Life Family

ISO 9001:2015
Certified Company

Our Values

Our Values

Swastika Healthy Life genuinely thinks that our staff members are what distinguishes a good company from a great one. We value creativity, imagination, improvisation, and teamwork. Furthermore, we believe that there are no boundaries to what we can achieve as a team and are always eager to explore new products, markets, and territories. Along with all this, we constantly try to establish the pride and commitment of our employees are the major sources of our company's strength.

Honesty and Dedication

Each employee of our company adheres to the highest ethical standards and works to protect and uphold the regulations, also they are dedicated to procedures necessary to produce high-quality pharmaceutical products.

Solutions For Clients

Customer satisfaction is always our priority and it is why every employee is committed to providing quality and cost-effective products and services that promote growth and understanding to build long-term, lasting relationships with our customers. Along with this, our customer services are 24/7 open to resolve their issues.

Director Message

In the span of a decade, the business since its beginnings was driven by implementation of new techniques and fresh concepts. This has led to constant growth in the overall development. Swastika Healthy Life has always strived to provide our customers with a cost-effective solution and service that is that meet their needs. We believe that customer satisfaction is the top quality of business. Every successful business has a long-lasting goal. Our simple but powerful idea is caring for the long-term. We believe that patients place their Pharmaceuticals requirements into our hands and depend on us to provide high-quality and affordable medications. Through direct or indirect means every one of us contributes significantly to making an impact on the lives of the people whom we care for. The Journey Continues, the confidence of Pharma Professionals and Patient on our product has grown thanks to the constant and prompt delivery of reliable products. We will continue to work hard to maintain this trust by ensuring the highest quality drugs and applying new, cutting-edge technology to provide superior quality
